CHIDLOW MT HELENA MUNDARING SAWYERS VALLEY WOOROLOO WUNDOWIE

Mountain Bike Trail network on track to welcome visitors this spring

ANTICIPATION is building within the Perth mountain trail biking community as a new 12km trail network nears completion at Lake Leschenaultia.

Volunteers from the Western Trails Alliance *(WTA)* have been creating the trails on weekends with support from the Shire of Mundaring.

WTA Director Ian Humphrey said the new trails would build on existing MTB usage of the area but reflect the community desire for *"a bush MTB experience on a sustainably and custom-built single-track".*

"Not only are these the first MTB trails to be built in Perth within the past five years, they will also provide a great year-round riding location with excellent facilities," he said.

"A lot of the volunteers live locally, or are regular visitors to the area, and are very excited about the trails."

Mr Humphrey said the volunteers were on track to produce a great family Mountain Trail Bike *(MTB)* trail network.

"Building some sections by hand has allowed us to provide a more natural feel to the trails but with the opportunity to include some interesting man-made wooden features and ramps to keep things interesting," he said.

"Each trail has also been carefully designed to consider dieback mitigation, avoid native fauna habitats and to leave a minimal trail tread footprint."

The trails would provide a much-improved facility which would also appeal to a wider community, Mr Humphrey added.

"We think the new trails will help make Lake Leschenaultia an even better family venue," he added.

"The range of trails available – along with the possibility of a swim in the summer after your ride – and with links back to the rail heritage trail and Chidlow, will make this a 'must-ride' destination for local and visiting MTB riders."

Manager Recreation and Leisure for the Shire, Kirk Kitchin, said the network included nine trails spanning 540m to 1.9km and ranging in difficulty from basic to intermediate.

"The Perth Hills Trails Master Plan identified a need for mountain bike trails that cater for starters to mid-range riders in this region and Lake Leschenaultia was considered the perfect site," he said.

"Lotterywest funded the plans for the trail network and the Shire funded the construction. The contribution of the wonderful WTA volunteers has ensured the Shire has got a lot of trail for its investment."

The Shire also undertook extensive environmental planning, including a detailed dieback survey, to ensure the trails have a minimal impact on the reserve.

Mr Kitchin said work began in June and should be completed in coming weeks, with testing and signage to be finalised by mid-August.

"We are looking forward to seeing lots of new mountain bikers having their first trail experience at Lake Leschenaultia this Spring," he added.

CHIDLOW matters...

What's been happening?
New Film Format

Our films to date have been screened on the second Friday of the month but in from now on we will be offering a new program format – combined dinner & film nights running bi-monthly, on the second Saturday of the month e.g August / October / December / February / April / June. *It will be a great opportunity for us to socialise!*

COMING UP: ***FILM AND CURRY NIGHT:*** Saturday, 10 August, 6.00pm socialise over a curry dinner followed by lots of laughs watching The Best Marigold Hotel at 7.30pm.

The Community Garden

Although the ground is too wet to move the wagons into the garden area, work has gone ahead installing fence poles. *(See pic.)* At this stage only three fence sides will be established, leaving a three metre space so there is room for a truck to place the wagons on site at a later date.

Once this is done, a poster will be displayed at the Post Office with information about the garden as well as contact details.

We will be having a stall at the August Chidlow Markets. Come and meet us. Also we'd love you to visit our Facebook page: https://www.facebook.com/chidlow-communitygarden/

Bendigo Bank Raffle: closing November

Instead of bestowing grants this year, the Bendigo Bank are giving community groups a chance to earn funds by selling raffle tickets to win $20,000 cash or one of five $1,000 Bendigo Bank savings accounts.

Please help the Chidlow community by either getting a $50 book to sell or buying a $5 ticket. *Books are available from from Jo Hallam, at Real Estate Plus, Chidlow.*

Activities: ***Regular:***
Film club: SATURDAY, 10 AUGUST, 6.00pm dinner. Movie: 7.30pm.
The Best Exotic Marigold Hotel.
Pilates classes: Kat Hardwick *(0411 167 611)* Thursday mornings 9.15am-10.15am.
NB: Classes are held only during school terms.
Yoga classes: Tarja *(0409 683 412)* Monday night, *(6.30pm-7.45pm)*.
Don't forget to bring a mat and maybe a light rug for relaxation.
Please follow Tarja on her Facebook page: Chidlow & Mahogany Creek Yoga.

Upcoming:
Markets: Saturday, 17 August, 2019, 9.00am-2.00pm.
Contact: Abbie Connel 0403 685 247 or email on *chidlowhallmarketday@hotmail.com*
All locally-produced craft from giftware, jewellery to fresh fruit and vegetables.

CHIDLOW MATTERS : *A HOST OF PROJECTS COMPLETED*

A HOST of projects have been completed in Chidlow recently with several important works planned for the 2019/20 financial year.

Last month, a section of Coothallie Road next to the Chidlow Hall was repaired to stop puddles pooling near the hall.

The work involved grading the gravel road and car park area to remove potholes and improve drainage. Gravel boulders were also installed to protect the drop zone area of a nearby large tree.

Shire President Cr John Daw said it was fantastic to see continued upgrades taking place in Chidlow.

"The recent works near Chidlow Hall are great for hall users and particularly helpful for the popular Chidlow Market Day which takes place on the third Saturday of the month from February to November each year," he said.

In May, new light towers were installed at Chidlow Oval, allowing sporting clubs to schedule night games. Local sporting groups fundraised to purchase the towers which were installed by the Shire.

The concrete water storage tank will also be replaced at Chidlow Oval this financial year. Over at Lake Leschenaultia, Stage 1 of the Lake Leschenaultia Visitor Enhancement Program was completed in November 2018 with the installation of new lawn, new brick paving and new double barbecue just above the main beach area.

Cr Daw said the Shire had secured funding from the Federal Government's Building Better Regions Fund for continued enhancements to the lake, including improvements to the main picnic area with terraced picnic areas; accessible pathways and picnic tables and eco-zoned landscaping.

These improvements will complement the new 12km of mountain bike trails set to be completed soon.

"Lake Leschenaultia is no longer a hidden treasure for our local community to enjoy. Instead, it is on target to become a major tourism drawcard for the area," he said.

Meanwhile in other parts of Chidlow, a section of Ballot Road from Leith Street to Tardup Street will be sealed, improving access for residents.

A 50KL water tank will also be installed at Warrigal Reserve for use by firefighters.

Finally, over at the Chidlow hardcourts, the Shire will assist the Chidlow Cats to resurface courts for basketball, netball and tennis; fit-out rooms for storage; repair lighting and install new backboards.

The new gravel road and car park area at Chidlow Hall

(Saturday 9am to 11am)

VOLUNTEER FIRE BRIGADE CHIDLOW

CURRENT SITUATION:

NO PERMIT REQUIRED

1st June to 30th September

FIRE BREAKS

(Please maintain from 1st November to 31st March)

Your firebreaks should be 3 metres wide and 4 metres high and have room to turn in to and around corners . ..if our truck cannot drive on your firebreak we may not be able to manage fire on your property!

This month, Chidlow VBFB would like to talk to you about winter burning. If you have an area of land that you feel would benefit from a burn, then the very best thing you can do is attend one of the Shire of Mundaring's free Winter Burn Workshops.

To be notified about when workshops are to be scheduled, which this year will probably be in September, weather permitting, please register your interest with Deputy Bushfire Control Officer Cameron Greaves via email at *BFCO@mundaring.wa.gov.au*

If you do plan to conduct a burn on your land, here are some hints to make sure you do it safely, but they are not a substitute for attending one of the burning workshops.

When thinking about burning:

1. Decide if your land really does need to be burned. There are other ways to reduce fuel loads, like raking leaves or mulching. If burning, then consider spreading the burning over several years for environmental reasons, rather than all at once.

2. Make sure you have water at the burn site and there is someone in attendance at ALL times.

3. Rake or plough a firebreak around your intended burn area to expose the gravel to at least 1m wide and rake leaves away from the bases of any fallen logs or habitat trees.

4. Check the weather forecast for the day of your burn and be aware of the possible nuisance *...continued on page 6*

EXTINGUISH ARSON

Please call Crimestoppers on 1800 333 000 *for any suspicious activities*

PROUDLY SPONSORING OUR LOCAL SCHOOL & SPORTING GROUPS!

PHONE : 9572 3202 **Rosedale Road Chidlow W.A. 6556**

...continued from page 5

smoke may cause for neighbours and road users. Let your neighbours know you will be burning, as smoky washing is never popular!

5. Wear gloves and sturdy boots, and natural fibres that will not burn easily, such as cotton and wool.

6. Be prepared to take care and not rush, and be prepared to extinguish your fire if conditions change, such as when the wind increases in speed. Remember, complacency and fire don't mix.

At the end of any burn you must always ensure that any fire and smouldering *'hot spots'* are fully extinguished.

For larger burns you should check around trees, in mulch and use a rake to roll over branches where necessary to allow good water penetration. You should check your burn again in the evening and again the following morning. *Brigades get a lot of call-outs to burns that have reignited the next day, or even later!*

Registering for a workshop will provide you with a good practical understanding of how to conduct your burns safely and effectively, so please take advantage of coming along to a free Winter Burning Workshop, by emailing Cameron at BFCO@mundaring.wa.gov.au .

Chidlow VBFB Captain, Brett Davies, with a happy crew of winter burners at a past workshop.

THE 2019/2020 EMRC COMMUNITY GRANTS PROGRAM IS NOW OPEN

Since 1997, the Eastern Metropolitan Regional Council's Community Grants Program has assisted numerous groups in Red Hill and surrounding communities to develop and deliver a wide range of initiatives that directly benefit the community and environment.

The EMRC is again offering grants of up to $1,500 to community groups through its 2019/2020 Community Grants Program.

The grants program opens on Monday, 15 July 2019 with a total pool of $15,000 available to support programs, activities, events or facilities that assist in the development or maintenance of the sustainability, social, cultural and/or recreational needs of members of the Gidgegannup, Hovea, Parkerville and/or Stoneville communities. The deadline for applications is 3:00pm on Friday 30 August.

If you are interested in applying please carefully read the 2019/2020 Community Grants Program Guidelines before submitting an application. For more information, including the guidelines and an application form, please visit www.emrc.org.au/about-us/emrc-community-grants-program.aspx

MUNDARING ARTS CENTRE & MIDLAND JUNCTION ARTS CENTRE

WORN OUT WORN ART WORKSHOPS

In the lead up to the annual Worn Out Worn Art Wearable Art Parade held at Midland Junction Arts Centre this November, artist and designer Sarah Zel Chescoe will be running a series of wearable art workshops for both teenagers and adults in both Darlington and Midland.

12-18 year olds can explore construction and sculptural techniques using recycled materials to create wearable art accessories with high visual impact on Sat 17 August at Darlington Hall. Adults and teenagers over 15 also have the opportunity to visit Midland Junction Arts Centre and make a beautiful fabric wrap on the 22nd and 29th or learn how to adorn a denim jacket on the 24th and 31st.

Head to midlandjunctionartscentre.com.au/wowa for more info.

DEMENTIA ON FOCUS AT MUNDARING ARTS CENTRE

Local artist Joan Johnson and Brisbane based artist Kate Hallen explore the landscape of dementia from the perspective of a loved one in individual exhibitions. On display until 8 September the exhibitions underscore the impact of the condition on both the individual and their families. These artists tell their unique stories with distinctively different outcomes, Johnson working with sculpture and Hallen paint; to present a multi-layered and emotive response to a condition which affects many.

WHAT ON EARTH

Mundaring Arts Centre Inc.'s fourth annual icon project, What On Earth presents a series of exhibitions, workshops, demonstrations and events exploring the unique Australian flora and environment across both Mundaring Arts Centre, Midland Junction Arts Centre and surrounding locations.

What on Earth begins at Midland Junction Arts Centre with the opening of three new exhibitions and an open day on Sunday 25 August from 11am-3pm.

The open day will see the arts centre abuzz with live music, botanically inspired demonstrations and workshops for people of all ages to drop in, have a go and soak up the community atmosphere.

Materials taken from the earth will be transformed into something magical and explore the beauty, diversity and fragility of West Australian flora in a range of artistic exhibitions and activities.

Midland Junction Arts Centre's exhibitions continue until 12 October. Keep an eye out for more information on Mundaring Arts Centre's exhibitions which open 13 September and the Mundaring Open Day on Sunday 29 September.

COMMUNITY CONNECTS WITH WOOROLOO BROOK ...*by the emrc*

The Gidgegannup Small Farm Field Day on the 26 May provided the perfect opportunity for local community members to connect with the Wooroloo Brook catchment at the EMRC's landcare stall.

The focus of the stall was to raise community awareness of landcare issues within the Wooroloo Brook catchment. Visitors to the stall were drawn to a large map of the catchment and spent time identifying which of the 16 sub-catchments they lived in. They also had the opportunity to vote on five environmental issues – loss of biodiversity, salinity, weed invasion, erosion and water quality – and identify which of these issues were of concern to them within the Wooroloo Brook catchment. Loss of biodiversity was identified as the issue of greatest community concern, closely followed by weed invasion.

Community members also contributed additional concerns to a community mind map which captured other catchment issues such as declining soil health, the impacts of feral animals and climate change.

The Small Farm Field Day served as an important opportunity to engage in conversations with local residents who offer the valuable insights into the health of the Wooroloo Brook catchment. There was much interest in supporting the formation of a Wooroloo Brook Landcare Group to work collaboratively on local environmental projects. Those community members who registered their interest went into the draw to win one of five $40 vouchers from Misty Ridge Plant Farm in Wundowie.

If you are interested in finding out more about the formation of a Wooroloo Brook Landcare Group, please contact Karen Warner via Karen.Warner@emrc.org.au or 9424 2242.

Shire of Mundaring libraries

Story Time at Wooroloo Mobile Library

Keen interest expressed by Wooroloo residents has meant that Mundaring Library will commence Story Time for pre-schoolers! Sessions are free, and include stories, songs and a simple craft. Story Time at Wooroloo Mobile Library starts on Tuesday, 13 August and will be on every three weeks when the mobile library visits Wooroloo at the Wooroloo Hall. Story Time begins at 9.30am and will run for about 30 minutes. If you have any questions, please call Mundaring Library on 9290 6780 or email mills@mundaring.wa.gov.au.

Wooroloo Mobile Library's next two visits are Tuesday 13 August and Tuesday 3 September. The mobile library is open from 9am to 11am at the Wooroloo Hall. Items for all ages are available for loan, including DVDs, audiobooks, fiction and non-fiction books. This is a free service provided by the Shire of Mundaring Libraries. Everyone is welcome to use the mobile library. Light refreshments are available for a gold coin donation. Come along, take some time to browse and enjoy a cuppa.

Free Tech Help at Mundaring Library

Not sure how to go about using the internet? Want to get on Facebook or open an email account, but not confident how to go about it? Shire of Mundaring Libraries have friendly and knowledgeable volunteers who can help you become more *"tech savvy"*. Free one-to-one Tech Help sessions are available between 11.30am and 1.30pm every Tuesday at Mundaring Library. Sessions are for 30 minutes and bookings are essential.
Call the library on 9290 6780.

CHIDLOW SPINNERS & CRAFT GROUP

Do you spin, sew, knit, crochet or do other needle craft?

Come along to the Chidlow Recreation Centre on Mondays 9am to 12 noon.

Come and enjoy good company and a cuppa.

For more information contact Heather on 9572 3801.

NOWS THE TIME TO *SHAPE* YOUR SHIRE'S FUTURE

SHIRE of Mundaring residents are encouraged to play a role in shaping the future of their local community.

The Shire is developing its strategic plan, *"Mundaring 2030"* which will outline the community's long term vision, values, aspirations and priorities for the next 10 years.

Shire President John Daw urged people to have their say during the development of the plan through participating either online or in a workshop.

"Here is a chance for all Shire residents and businesses to have a voice in what happens within our community," Cr Daw said.

Shire of Mundaring has a new user friendly online engagement portal, known as Engage Mundaring, and is seeking people to participate in the feedback process by completing up to four online tasks.

"The engagement portal makes it easier for local residents to share their vision, and aspirations for the next 10 years," Cr Daw said.

The catalyst for creating the Engage Mundaring portal was due to an identified need for community members to have their say at a time and place convenient to them.

Additionally the Shire is holding community workshops throughout August and residents and businesses are able to register their attendance through the portal.

"In order to bring our community together for Mundaring 2030 and ensure we are working toward a shared vision for the future, I strongly encourage everyone to be part of the strategic community plan engagement process whether it's through the Engage Mundaring portal or in person at the workshops" Cr. Daw said.

Consultation for *"Mundaring 2030"* closes on 22 August and a draft plan will be developed and available for public comment via the Engage Mundaring portal in December. The final document is expected to be provided to Council in February 2020.

To have your say follow the link https://engage.mundaring.wa.gov.au/ and register or log onto the site.

The Shire of tomorrow starts today!

ARE YOU BUSHFIRE READY?

WEIR IN BUSINESS *VOUCHER BOOKS ON SALE NOW*

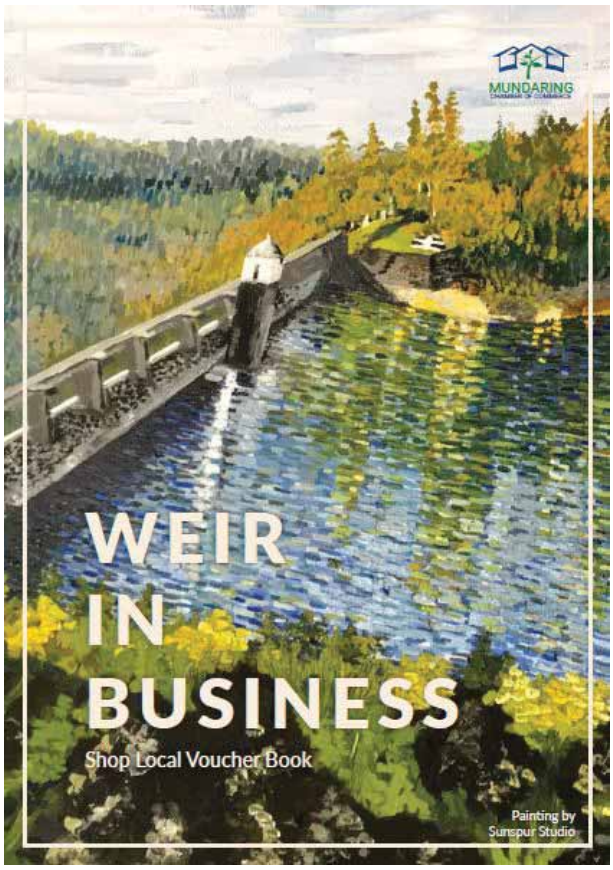
If you love great value, want to support local business and are always on the look-out for the best deals, then the Weir in Business Voucher Book is for you! Our first edition is bursting with over 100 offers and saving vouchers for the Mundaring shire and surrounds, including fantastic days out, with £1000's worth of savings to be made.

The aim of the Weir in Business Voucher Book is to encourage the local community to support local business and *'shop local'.*

The Chamber's vision is for the Shire of Mundaring to be a first-class community to live and do business. Its mission is; To make it easier to do business in the Shire of Mundaring to foster economic and social prosperity for the whole community.

With this in mind, the Chamber is proud to have created a *'shop local'* voucher book – offering discounts or savings to the public for businesses local to the Shire of Mundaring. The book has several sections including health and beauty, retail, professional services, dining and takeaway, things to do, and trades and services, in order to give all businesses in the Shire of Mundaring the opportunity to participate.

The book is being sold via local distribution outlets by member businesses in support of the initiative. Some local school P&Cs have also seized the opportunity to fundraise through online sales of the book.



Books are $40 each and are available for purchase either from a physical location *(i.e. a shop)* or online, through the Chamber's website. Online purchasers have the option of choosing a local participating school P&C for the Chamber to donate $5 per book sale to.

This first ever edition is valid until 31/10/2020.

The Chamber's aim is for the local community use this book to discover some amazing businesses within the shire *(and surrounding area)* that they can try out, return to, and recommend to their friends and family.

Local distributors include:

– A Patch of Country
– Eastern Hills Saws and Mowers
– Mundaring Community Bank Branch, Bendigo Bank
– Mundaring Community Pharmacy
– Northern Beauty Mundaring
– Complete Kinesiology
– AMD Power Solutions
– Inn Mahogany Creek
– 4 Fun & Health

MOUNT HELENA CLASSIC

incorporating the Whim Festival and Hills Billy Cart Festival

Sunday 27th October 2019 Pioneer Park, Mount Helena

We are underway! We would like to share the nitty gritty of getting a community event up and running.

Three of the local billy cart enthusiasts are competing in the Dampier Billy Cart Derby on Saturday August 24th. The Mount Helena Classic team will also will be supplying four of our carts for disadvantaged children for the race. We thank Matic Transport who will be taking all the carts to Dampier.

Funding a venture like this is always a challenge; so much infrastructure has to be provided to make the course safe for the entrants and spectators; to set up stages, sound, power and shade plus a myriad of other items. Happily, thanks to the grants from Lotterywest, the Shire of Mundaring, Perth Airport, the Swan Chamber of Commerce, Healthway and other local donors it is almost possible to do it.

However, we need more before it is a reality. With the very generous in-kind support of others it will happen: Matic Transport - *how else could we transport nearly a kilometre of barriers?* Shalom House – *traffic control, hygiene (unsung heroes)*; Hansen – *more infrastructure;* Di Condilo Steel – *hire carts and the important safety blanket of the Mount Helena Volunteer Bushfire Brigade.*

Of course, we have to find money as well and are participating in Bendigo Mundaring Bank's Community Raffle. First prize is $20,000 with five prizes of $1000. Tickets are on sale at the Mount Helena Tavern, Vibe in Mount Helena, Anne Lynch Conveyancing in Mundaring and at various events and shopping centres around the traps. *To purchase or sell a book of ten contact Jess at 0420 753 725, tickets are $5 each.*

Vital to any event is the untiring work of all the volunteers: from every section of the community people are giving their time, expertise, advice and labour.

Just the initial task of setting things in motion requires many hours: vision, discussion, compromise and then action. We still need people willing to engage in our enterprise. It is frustrating but ultimately rewarding. If you are part of the Hills community and would like to participate in any way please have a look at our website ***www.mounthelenaclassic.com.au.***

Applications from stallholders are coming in slowly so if you are interested, get the paperwork in to Hannah. Forms are on the webpage or contact Hannah directly whimfestival@gmail.com or 0421 748 107 if you wish for more information or an emailed copy.

Still time to get your billy cart sorted. Look on the Mount Helena Classic website or give John a call at 0413 153 227 or email jbe31029@bigpond.net.au

TREE PLANTING FOR THE PUBLIC AT RED HILL BY THE EMRC

EMRC

The EMRC's first public Tree Planting Day on 11 July brought together community volunteers, staff from the EMRC's Red Hill Waste Management Facility and our Waste Education and Environment teams.

A fantastic effort by all our volunteers in beautiful sunny conditions brings the total number of native tubestock planted on the Red Hill site this year to 6,000.

If you or your organisation would like to participate in a future tree planting event at the Red Hill Waste Management Facility, or take a tour of the site, *contact WasteEducation@emrc.org*

Bush Skills for the Hills

Free Environmental Workshops

January to December 2019 program

Bush Skills for the Hills is an ongoing series of free environmental workshops for the community. A combination of theoretical and practical hands-on sessions, the workshops are designed to provide participants with skills to help manage and appreciate everything that local bushland has to offer.

The EMRC has teamed up with Eventbrite, the world's leading online event registration service. To register for a workshop head to http://ERCMPenvironment.eventbrite.com. For more information about Eventbrite see the back page of this program. If you have any further queries, contact the EMRC's Administration Officer Regional Services on (08) 9424 2216 or environment@emrc.org.au.

Foreshore Condition Assessment Training

When: Saturday, 17 August 2019, 10:00am to 2:00pm

Where: Woodlupine Brook, Carpark near Jordan Place and Lenihan Corner, Wattle Grove

Waterway degradation is widespread, particularly in south-west Western Australia. Foreshore condition assessments allow the local community, supported by government and other professionals, to make the most effective use of resources towards river protection.

Volunteers will be trained to recognise degrees of foreshore degradation and record their assessment of foreshore condition on standardised forms developed by Pen and Scott (1995). The resulting data can be gathered together to provide baseline data on which to base long term monitoring and management.

A light lunch will be provided.

Two Sundew species found in the Perth Hills
Photo: EMRC

Carnivorous Plants

When: Saturday, 14 September 2019, 9:00am to 11:30am

Where: Zig Zag Cultural Centre, 50 Railway Road, Kalamunda

Discover what species of carnivorous plants are lurking in the bush of the Perth Hills — they are more common than you may think. Learn about different types of carnivorous plants, the varied traps and what prey they target while seeing amazing photos of the diverse species that call south-west WA their hunting ground. Take your ID skills outside onto the Railway Heritage Trail to spot some hungry carnivorous plants.

Please note that the workshop includes walking at a leisurely pace.

Morning tea will be provided.

Proudly supported by:

CHIDLOW COMMUNITY GARDEN UPDATE

There won't be a raffle because there will be a Christmas in July raffle. We may have a market stall depending on the weather, mainly to sell apples.

Greg has been trying to get the shire to sort out hall carpark because in rain it floods. Linda will have stall if carpark is fixed or it is dry.

1. James Lucas got gravel base for wagons rolled.

2. Bruce and Greg have marked the corners of block ready for Chris McColl to dig holes. Karen White from shire has been very supportive. Ground too wet for putting wagons on site yet. We can do 3 sides of fence and most of fourth, leaving 3 metres for the truck to bring wagons in.

3. A suggestion was made that we put up a sign at PO with information about the garden and contact details when we have the fence up and wagons in.

4. Our Facebook is up and running, thanks to Susan. We reached 414 people, 62 reactions, 3 shares. Sonya Parker contacted Susan via FB asking for advice on setting up a community garden in Darlington. Greg will respond to her request :- *www.facebook.com/chidlowcommunitygarden/*

5. Bee hives to be dealt with later.

6. Emmanuelle's piano has not been sold yet.

7. We may have a table at the Whim festival in Mount Helena at the end of October. This was seen as an opportunity to promote the garden, as long as there is someone to man the stall.

8. Susan has received an offer from Bunnings of free garden beds. She will accept the offer.

9. Greg met Lorie Miles, a member of the Glen Forrest community garden committee, who has given us a lot of compostible pots.

10. Finances: June opening balance: $2,315.90. Expenditure: $385 for Accredited Building Services *(railway wagons survey/plans to shire).* No income. Balance for end of financial year: $1930.90.

Next meeting August 10th

We will be having a stall at the August Chidlow Markets.... Come and meet us!

For extra convenience in bad weather, added security when away from home or arriving home late at night you can depend on high quality electric gate systems supplied and installed by Solar Gate Solutions wa. We have a large product range to suit most applications including solar and mains powered systems and many years of installation experience

MUNDARING SHIRE ADOPTS 2019-20 BUDGET

SHIRE of Mundaring Council adopted the 2019-20 budget at an Ordinary Council Meeting on 11 June 2019.

The good news for residents is that there will be an estimated decrease of $10 per year per household *(for the average residential rateable property)*.

The annual budget is based on an overall annual rates increase of 2.8% from the previous year. While the average rates payable per residential property will increase by $43, it has been offset by a decrease of $53 in waste charges.

This saving was generated by increased recycling and less waste to landfill together with operational efficiencies in waste management.

The Shire's Long Term Financial Plan, another key financial document, was also endorsed at the meeting.

Shire President Cr John Daw said the budget was appropriate for the current economic climate.

"The focus of the 2019-20 budget is to deliver services and facilities to our community while laying the foundations for the future," he said. *"It includes an affordable and modest rate increase of 2.8 per cent which encompasses an allocation for the renewal and upgrade of existing infrastructure."*

The Capital Works Program comprises a number of key projects including:

- *Mundaring Oval Lighting*
- *UpgradNew toilet block at Broz Park, Helena Valley*
- *Resurfacing hard courts at Mundaring Tennis Club*
- *Morgan John Morgan Reserve Upgrade*
- *Mt Helena Skate Park Extension*
- *Scott Street Bridge Upgrade*

This budget outlines many community assets provided and maintained by the Shire such as parks, roads, halls, footpaths, playgrounds
and waste transfer stations as well as the multiple services it offers to the community.

In addition, the budget incorporates the workforce plan for the Shire of Mundaring which reflects an increase of one full-time equivalent staff, forecast to occur from 2019-20.

Cr Daw said he was confident ratepayers would be satisfied with the outcome as the budget reflects Council's on going commitment to a lower rating profile over a longer term.

"We will continue to allocate funding to ensure the Shire remains a remarkable place - where our residents are proud to call home, where businesses thrive, and where people want to visit."

The budget is on the Shire's website, ***www.mundaring.wa.gov.au***
